

2 Year Extended Warranty

Enjoy added protection on all Katoool or M&E automotive equipment, with a 2-year extended warranty plan! All parts and pieces are covered for an additional 2 years (24 months), with free shipping for replacement parts within 5 business days.

* Including but not limited to: Cylinders, power units, motors, displays, electronics, etc...

*All warranty claims submitted to KATOOL are subject to approval by the warranty/service department and may be approved or denied at the full discretion of these departments. Photos and/or videos of original defects may be requested. **Customers should not disassemble any piece of equipment before proof of original problem/issue has been determined.** Any equipment outside of the policy will not be covered and buyer will be responsible for purchasing replacement parts at full cost and shipping charges will apply. **Labor is not included in warranty.**
