

ATLAS AIR FORCE ONE YEAR LIMITED WARRANTY

Atlas® Automotive Equipment warrants this equipment to the original purchaser against defects in material or workmanship under normal use for a period of one year from the date of purchase. This Limited Warranty shall be limited to the repair or replacement of materials found defective upon examination by a representative of Atlas® Automotive Equipment. In the event of a defect in material or workmanship within the period of this Limited Warranty, Atlas® Automotive Equipment will repair or replace the defective part. We stock all the necessary parts and accessories in our Indianapolis Warehouse. Atlas® Automotive Equipment will make every effort to resolve issues, so that the air compressor can be put in working order as quickly as possible. The Limited One Year parts warranty requires that the alleged defective part be returned (freight ppd.) to Atlas® Automotive Equipment for evaluation. The part may then be repaired or replaced at the discretion of Atlas® Automotive Equipment. In many instances, we can waive the necessity of having small parts returned if the customer provides Atlas® Automotive Equipment with digital photos of the defective part.

Motor and engines are warranted to the extent of the original manufacturer's warranty. These warranties and authorized service centers are available upon request.

Failure of this equipment caused by accident, misuse or abuse of the equipment including, but not limited to, damages or defects resulting from improper packaging of returned equipment or improper repairs made by others, is not covered by this Limited Warranty. The effects of corrosion, erosion and normal wear and tear are specifically excluded from this warranty. Atlas® Automotive Equipment reserves the right to determine whether the defect is covered by this Limited Warranty. If Atlas® Automotive Equipment determines that the returned equipment or the merchandise at the Purchaser's site is not covered by this

Limited Warranty, then at the Purchaser's option, such equipment shall be either:

1. Returned to the Purchaser freight collect.
2. Repaired or replaced subject to regular repair, replacement or reconditioning charges.

This Limited Warranty is in lieu of all other warranties, expressed or implied, including all implied warranties of merchantability and fitness for a particular use and purpose. The Purchaser agrees that the sole and exclusive remedy against the manufacturer shall be limited to the repair or replacement of defective parts. The Purchaser further agrees that no other remedy, including, but not limited to, incidental or consequential damages for lost profits, lost sales, injury to person or property, or any other incidental or consequential loss, shall be available to it. In any event, the liability of Greg Smith Equipment for any damages shall be limited to and shall not exceed the purchase price of the equipment.
