All terms, conditions, and rules of this program are subject to change. All information or materials that are submitted are the property of BENDPAK and will not be returned. BENDPAK reserves the right to alter and modify this program at any time with no prior notice. BENDPAK reserves the right to reject claims it deems to be invalid at its sole discretion. Failure to meet the submittal rebate requirements will disqualify your rebate. This offer is void where taxed, restricted, or prohibited by law. BENDPAK and their partners are not responsible for lost, late, damaged, illegible, and misdirected information submitted. Equipment must be installed and registered by a qualified partner.

BendPak Rebate Rules & Conditions

Who/What is “NOT” eligible to “file a claim” for a BendPak Equipment Rebate:

- Government Agencies or Contracts
- End customers outside of 50 USA States and Canada
- BendPak National Accounts
- Resellers
- Representative Agencies
- Schools
- Technical Schools
- Demo or any equipment classified as demonstration
- Used equipment
- Equipment for warranty replacement/repair

Equipment not listed on the current rebate promotion and/or purchased outside current promotion guidelines is not available for any equipment rebate.

Information Needed to File a Rebate Claim:

- Serial # of the unit

- Receipt showing purchase date (Only full price Equipment is Eligible)
- List of eligible equipment
- Reseller name from whom you purchased the equipment
- Digital copy of the valid receipt

Purchase Date Requirements:

Eligible rebate products must show Invoice/Purchase date that falls within promotion dates as outlined on BendPak rebate promotion timeline. (Example: March 15, 2024 – August 31, 2024.)

Installation Requirements:

The install and registration date must fall within the promotion purchase date timeline and up to 45 days after the last day of the purchase date timeline. (Example: last day to purchase is September 30, 2024, then the product must be registered on or before November 15, 2024.)

BendPak will validate install/registration date via our internal record system and as submitted by qualified install partners/agents. Any misclassification of install dates or bad install date records will void the payment of the rebate.

Installation/registration dates cannot be prior to or after the rebate program dates as outlined.

Products Eligibility for BendPak Rebate:

Products eligible for the rebate are limited to the products called out on the Official Promotional Flyer or BendPak Website.

Equipment used for demonstration, used equipment, or replacement/warranty product is not eligible for rebate promotions/program.

Limit of Rebates:

Eligible for one rebate per unit, no multiple rebates allowed, and can't be combined with any other offers.

Accessories Are Not Eligible:

Accessories are not eligible for a rebate.

Adding an accessory or part to a previously installed piece of equipment does not make this existing product eligible for a rebate.

Payment of Approved Rebate:

Approved rebates will be paid via an issued card such as Visa, Mastercard, or other electronic payment cards.

Once submitted, BendPak will validate the rebate meets program guidelines; if approved, the rebate will be eligible for payment/funding within 30 days.

End User/Consumer Submittal Only:

No distributor, representative agency, installer, or BendPak company personnel submitting claims on behalf of end users/customers is allowed.
