

Warranty:

Cyclone abrasive blast equipment is warranted against defects in the workmanship or materials in accord with the following terms:

- Warranty extended to original owner only.
- Warranty does not cover blast equipment used in commercial rentals or applications.
- Warranty of valid for one (1) year following the date of purchase.
- Warranty does not cover standard wear items such as (but no limited to): nozzles, hose, pipe fittings, valves, blasting abrasives, safety gear or gaskets/seals.
- Warranty does not cover mis-use or abuse of blasting equipment. This includes failure to follow manufacturers instructions.
- Warranty does not cover blast system is altered or modified from its original state from the factory.
- Warranty does not cover damaged in transit. **INSPECT ALL PACKAGES BEFORE YOU SIGN FOR THEM!**
- In such cases, the receiver should contact the freight carrier within 15 days of delivery to file a claim. It is not the responsibility of the Manufacturer or Distributor to file claim. If any parts should be required to fix damaged system, the receiver will be billed accordingly. This bill can then be turned over to the freight carrier for reimbursement.
- End user should call their distributor or the factory upon discovery of any issues. A technical person can assist you.

This warranty grants the user certain legal rights. Users and purchasers may also be protected by other rights that vary by location.

NOTE: Except for the warranties set forth above, Cyclone makes no other warranties of any kind-expressed or implied. Including warranties of merchantability or fitness of a product for a particular purpose.
