THE SECTION 179 TAX ADVANTAGE CLOCK IS TICKING

Secure Your Tax Savings Before Year-End

This incredible tax incentive ends December 31, 2023, so now's the time to finance the equipment you need and get it into operation. We can't stop the clock on this tax break expiring but we'll help you get the equipment you need and keep your cash flow positive.

Understanding Section 179

- Unlock Tax Savings for Equipment Purchases In 2023.
- Write off up to \$1,160,000 on qualified equipment purchases.
- Choose immediate expense deductions over standard depreciation to improve cash flow.

Compare Section 179 with Bonus Depreciation

- Bonus Depreciation reduced to 80%, while Section 179 offers spending cap flexibility.
- Combine deductions for a flexible tax planning approach.
- Section 179 benefits those under the spending cap, while Bonus Depreciation suits capital-heavy businesses.

Terms & Conditions: All applications, rates, and transaction structures are subject to change based on the credit condition of the business applying. This offer may be changed or terminated at any time, without any advanced notice. We do not provide tax advice. Section 179: You must take delivery and equipment must be in operation on or before December 31, 2023, to qualify for tax savings. Please discuss what tax savings your company may qualify for with a professional tax advisor.
