

CAR-PARK-8

8,000 LB. DELUXE SERIES STORAGE/SERVICE LIFT

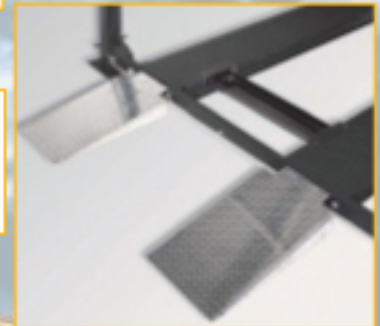

Smooth operation and good looks make a great first impression but it's the safety features and durability that makes the "Deluxe Series" the best choice in storage/service lifts.

Solid Deck Option
Large storage area. Two diamond plate platforms drop between tracks for storage of snowmobiles, ATVs and garden equipment. Constructed of lightweight aluminum.

One-Step Caster Kit
Easy to install with no tools—simply pin them on, lower lift, casters automatically lift the columns; allows mobility with or without a vehicle; turn lift sideways to park two vehicles underneath.

Aluminum Approach Ramps (OPTIONAL)
These lightweight ramps weigh only 18 lbs. each compared with the 53 lbs. of standard ramps.

Stackable Poly Drip Trays, 3 (OPTIONAL)
Lightweight polyethylene; stackable: simply slide to back and stack! 8" or 12" widths.
